Eligibility

A school district or an open-enrollment charter school that meets the following criteria is eligible to apply:

- (1) all or part of the school district or open-enrollment charter school must be located in an area declared a disaster area by the governor under Code, Chapter 418;
- (2) the school district or open-enrollment charter school must have incurred and paid disaster remediation costs during the two-year period following the governor's initial proclamation or executive order declaring a state of disaster that the school district or open-enrollment charter school does not recover through insurance proceeds, federal disaster relief payments, or another similar source for reimbursement; and
- (3) in accordance with TEC, §48.261, the school district or open-enrollment charter school must apply for reimbursement during the two-year period beginning on the date of the governor's initial proclamation or executive order declaring a state of disaster. The school district or open-enrollment charter school must complete application by the application deadline. A school district or an open-enrollment charter school that submits an incomplete application or an application after the application deadline may be deemed ineligible for funds.

Application process

A school district or an open-enrollment charter school seeking disaster reimbursement must submit a new application each time Texas Education Agency initiates a disaster reimbursement application process on a form prescribed by TEA. The application shall contain, at a minimum, the following:

- (1) identification of the governor's initial proclamation or executive order declaring a state of disaster and evidence that all or part of the school district or open-enrollment charter school is in the area subject to the disaster declaration;
- (2) the total dollar amount of paid disaster remediation costs during the two-year period following the governor's proclamation or executive order declaring a state of disaster;
- (3) the total dollar amount of paid disaster remediation costs paid during the two-year period following the governor's proclamation or executive order declaring a state of disaster that the school district or open-enrollment charter school anticipates to be reimbursed from insurance proceeds, federal disaster relief payments, or another similar source of reimbursement;
- (4) the total difference between the amounts of paid disaster remediation costs specified in paragraphs (2) and (3) of this subsection and, of the specific paid disaster remediation costs for which the school district or open-enrollment charter school is seeking reimbursement under TEC, §48.261;
- (5) an explanation as to why the school district or open-enrollment charter school does not anticipate being reimbursed from insurance proceeds, federal disaster relief payments, or another similar source of reimbursement for each paid disaster remediation cost identified in paragraph (4) of this subsection;
- (6) a certification from the school district or open-enrollment charter school board and superintendent or chief executive officer that all paid disaster remediation costs for which the school district or open-enrollment charter school is seeking reimbursement under paragraph (4) of this subsection qualify for reimbursement from these payments through insurance proceeds, federal disaster relief payments, or another similar source of reimbursement; and
- (7) a certification from the school district or open-enrollment charter school board and superintendent or chief executive officer that the school district or open-enrollment charter school, for any paid disaster remediation costs for which the school district or open-enrollment charter school is seeking reimbursement under paragraph (4) of this subsection, has made and will continue to make efforts to seek reimbursement from insurance proceeds, federal disaster relief payments, or another similar source of reimbursement as allowable or appropriate.

Reporting requirement

Annually after the date of the award under this disaster reimbursement program, the awarded school district or open-enrollment charter school board and superintendent or chief executive officer shall provide a certified report on a form prescribed by TEA until all insurance proceeds, federal disaster relief payments, or other similar sources of reimbursements related to the disaster are finalized. On the report, the school district or open-enrollment charter school shall identify the amount of insurance proceeds, federal disaster relief payments, or other similar sources of reimbursement that the school district or open-enrollment charter school received from the school district or open-enrollment charter school previously received reimbursement payment from TEA. TEA will adjust funding for any overpayment received by the school district or open-enrollment charter school based on the final report made under this subsection of the school district or open-enrollment charter school's future FSP payments or will require a refund from the school district or open-enrollment charter school.

Finality of award

Awards of assistance under this section will be made based only on paid disaster remediation costs. Prior to making an award, TEA may request additional documentation, including, but not limited to, evidence described in subsection (c)(2) of this section and evidence supporting the certifications required by subsections (d)(6) and (7) of this section. A school district or an open-enrollment charter school is not entitled to any requested reimbursement, and a decision by the commissioner is final and may not be appealed.

Timeline and Reporting

The deadline for submission of completed applications for disaster remediation costs has been extended to 5 p.m. on February 24, 2023. Funding will be available by February 28, 2022 **March 31, 2023**, and will be delivered as a stand-alone payment to all affected LEAs separate from foundation school grants. LEAs should record payments in the General Fund, under Object Code 5829, State Program Revenues Distributed by the TEA.

One-Time Reimbursement for Winter Storm Uri

The agency shall provide reimbursement to school districts in accordance with Section 48.261 (excerpt above) for costs incurred as a result of the American winter storm (Winter Storm Uri), including any resulting electricity price increases. This expires September 1, 2023.
