MAR data in the Early ChildhoodData System (ECDS)tweenNovember13, EOYinstruments APR 2023 and January 25, 2024 administered withinast60 days of school. Universal Conductuniversaldyslexiascreenerby theend of the MAY dyslexia screeners are ERI Code and required, but assessment Dyslexia in all domains is strongly SubmitERI CodendDyslexiaCodein PEIMSby June 20, JUNE encouraged. Screener due 6/20/2024 2024

Recommended Timeline for Local Education Agencies

Additional information and links to additional resources can be found on a he Learning Assessments section of the TEA website

Recommendations

Local Education Agencies (LEAs) are responsible for establishing and sharing the annual sche for the beginning-of-yær, middle-of-yær, and end-of-yær assessment

When scheduling these windows, LEAs should consider holidays, parent-teachemence mOr
