

2025–2026 Innovative Course Application Instructions Renewal

- x The Texas school district/charter school or other organization seeking approval for renewal of an innovative course must complete the innovative course application for course renewals.
- x The renewal innovative course application must be completed prior to submission. Applications deemed incomplete or received after the due date will not be considered.
- x The TEA will review the applications in the order received.
- x Applications that duplicate the content of a Texas Essential Knowledge and Skills (TEKS) course or can reasonably be taught within an existing TEKS course will not be approved.

- x Submit all included recommended resources with the application to make them available for State Board of Education (SBOE) review. Access to any online course and learning management system content must be provided. If any resources are required for the course, please include the cost.
- x Access to electronic materials
Directions for electronic access of recommended resources, including credentials, must be emailed with the application submission by Friday, September 13, 2024.
- x Digital materials (Soft copy)
Please send digital copies of recommended resources Innovative.Courses@tea.texas.gov by Friday, September 13, 2024.
- x Print materials (Hard copy)
For materials that exist in hard copy, please use the following address for submission. Please ensure any shipments can be received by TEA no later than Friday, September 13, 2024. Please also alert TEA if you have shipped any materials and the shipping method used so that the mailroom can be properly notified.
