

5. If an LEA performs a student restraint, what must be included in the written notice to the parent? What has now changed based on HB 785?

7. If a BIP needs revision because of a behavior that led to a restraint, can this revision be completed outside of an ARD meeting?

Answer: Yes, a BIP can be revised outside of an ARD meeting. However, the revision must be based on new information that was not available at the time of the original ARD meeting. If the behavior that led to the restraint is a result of the BIP, the BIP should be revised. If the behavior is a result of a change in the student's needs, a new ARD meeting should be held.
