Why does the consent in paragraph 6 refer to free or reduced price meals or free milk when my school does not participate in the program? State compensatory education funds are partially allotted on the basis of the number of students in a school district or charter school who are eligible for the national free or reduced price lunch program in which some schools participate. Therefore, in order for your school to receive the amount of state compensatory education funds to which it is entitled, you are being asked to provide the same information that would be provided in an application to participate in that program. n he s611.3 (o)1.3 (m)7.6 (p)-4.6 (a)4 (t)- hsaarti (i)7.1
