

Texas Education Code provides them to the Texas Legislature by March 1 of each odd-numbered year. The Legislature then uses these projections to determine the cost of public education for the next year. The data is used for the Long Range Planning Report (identified as LPE) found in the Summary Reports.

Background Information

Program Description

The Attendance Projections Subsystem is found in the Foundation School Program (FSP) under the Texas Education Agency Login (TEAL) system. The module opens in October of e
