Section 1: Introduction

Year-Round Education Overview

Although there is no single definition of year-round education (YRE), schools that operate under a year-round calendar typically reorganize the school year without any extended breaks in instruction,

A student's eligibility to participate in extracurricular activities when the student's calendar track is not in session.

Texas public school

instruction using Public Education Information Management System (PEIMS) as reported by districts through the Texas Student Data System (TSDS).

Pursuant to TECS 25.081(2022), for the purposes of funding TEA requires districts to annually report campus calendar information. PEIMS submissions for this requirement include a school day event code indicating student instructional days or waiver days. Student instructional days were used in this analysis.

Section 2: Data and Methods

days in 11 of the 12 months, or campuses that had at least ten percent of their total instructional days in August, at least ten percent in September, and at most ten percent in October.

⁸ For more about PEIMS reporting submissions see TWEDS:
