

Grade 5 Mathematics Assessment

Eligible Texas Essential Knowledge and Skills

STAAR Grade 5 Mathematics Assessment

Mathematical Process Standards

These student expectations will not be listed under a separate reporting category. Instead, they will be incorporated into test questions across reporting categories since the application of mathematical process standards is part of each knowledge statement.

Mathematical process standards.

* [

Reporting Category 1: Num

Reporting Category 2: Computations and Algebraic Relationships

The student will demonstrate an understanding of how to perform operations and represent algebraic relationships.

Number and operations.
