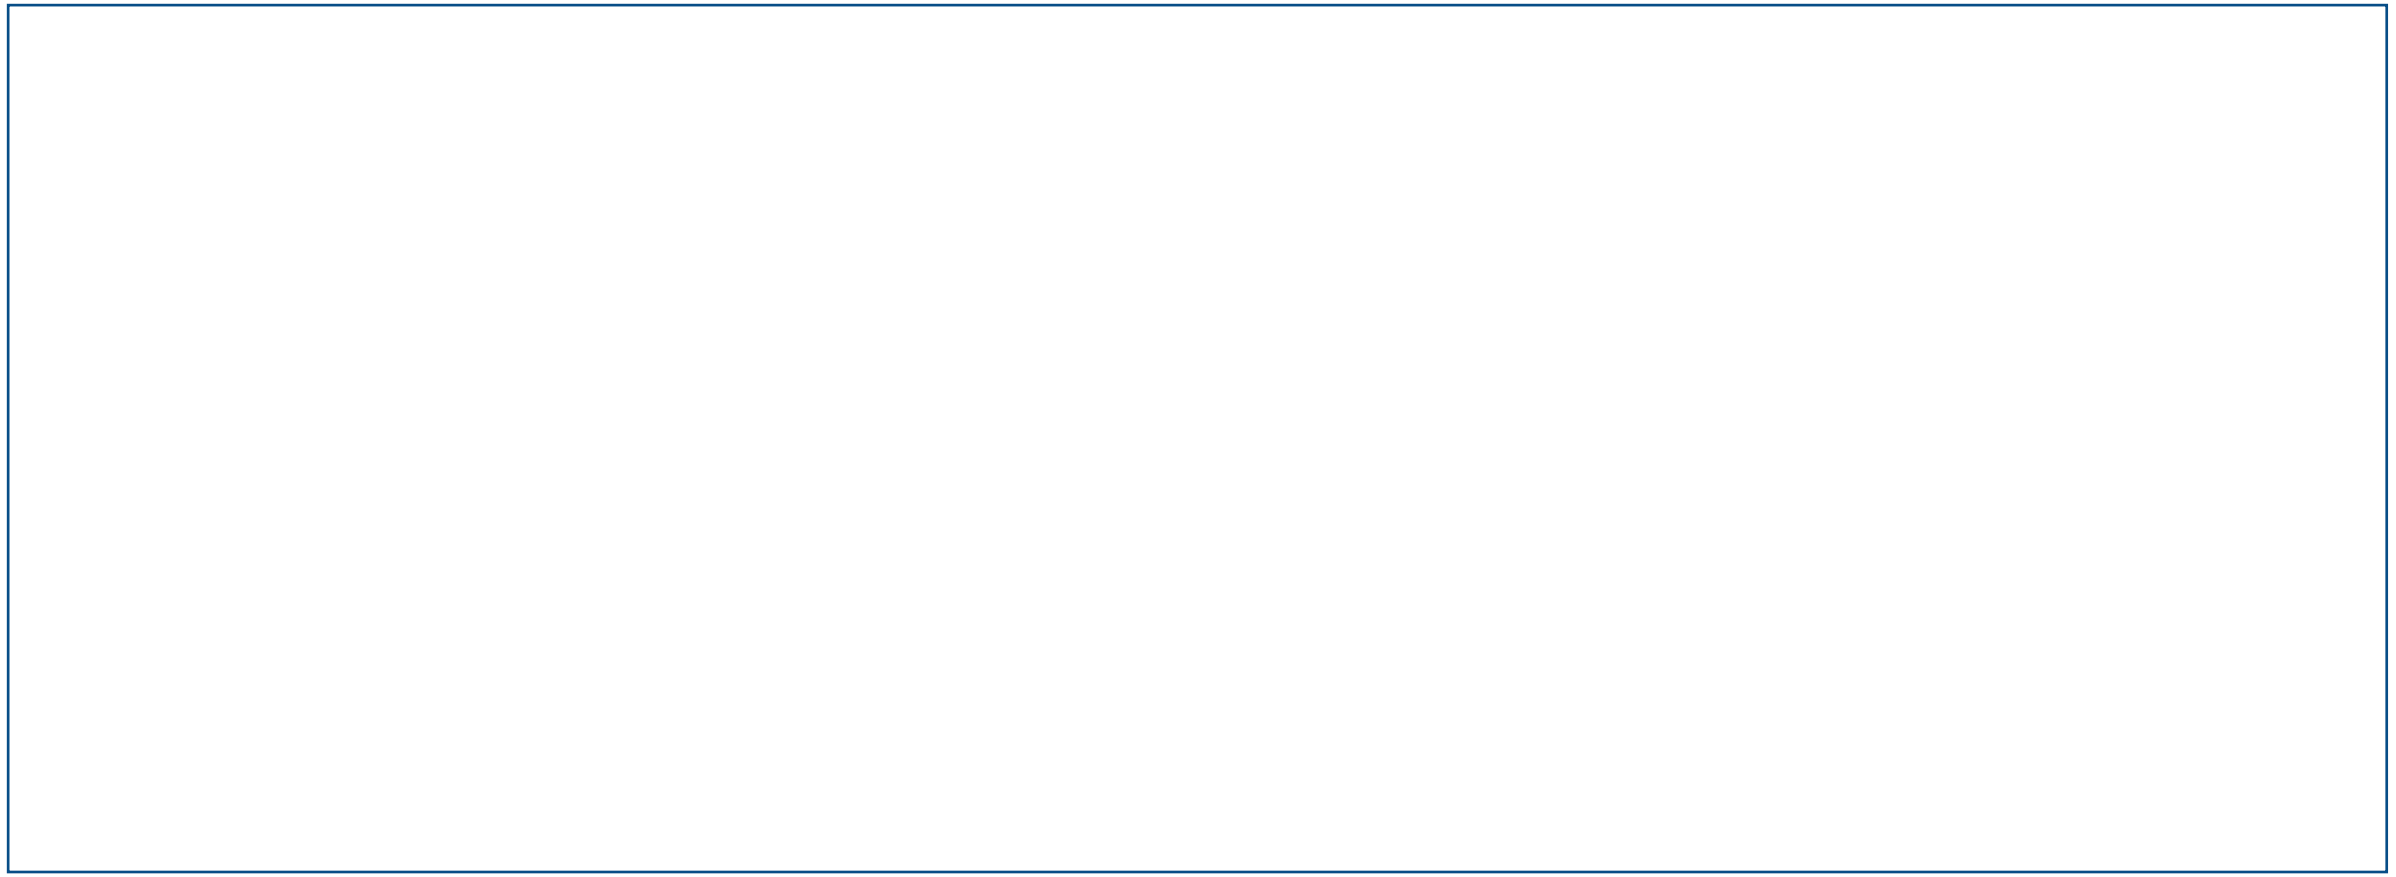
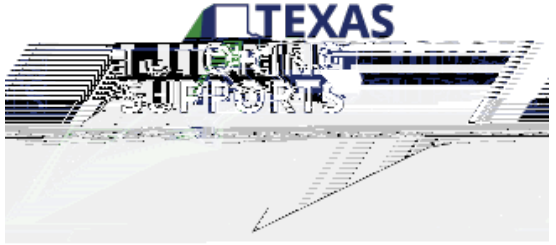
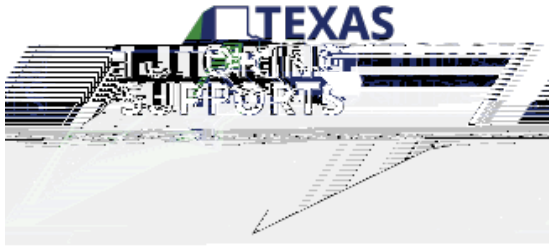
Decision 6 Tutoring

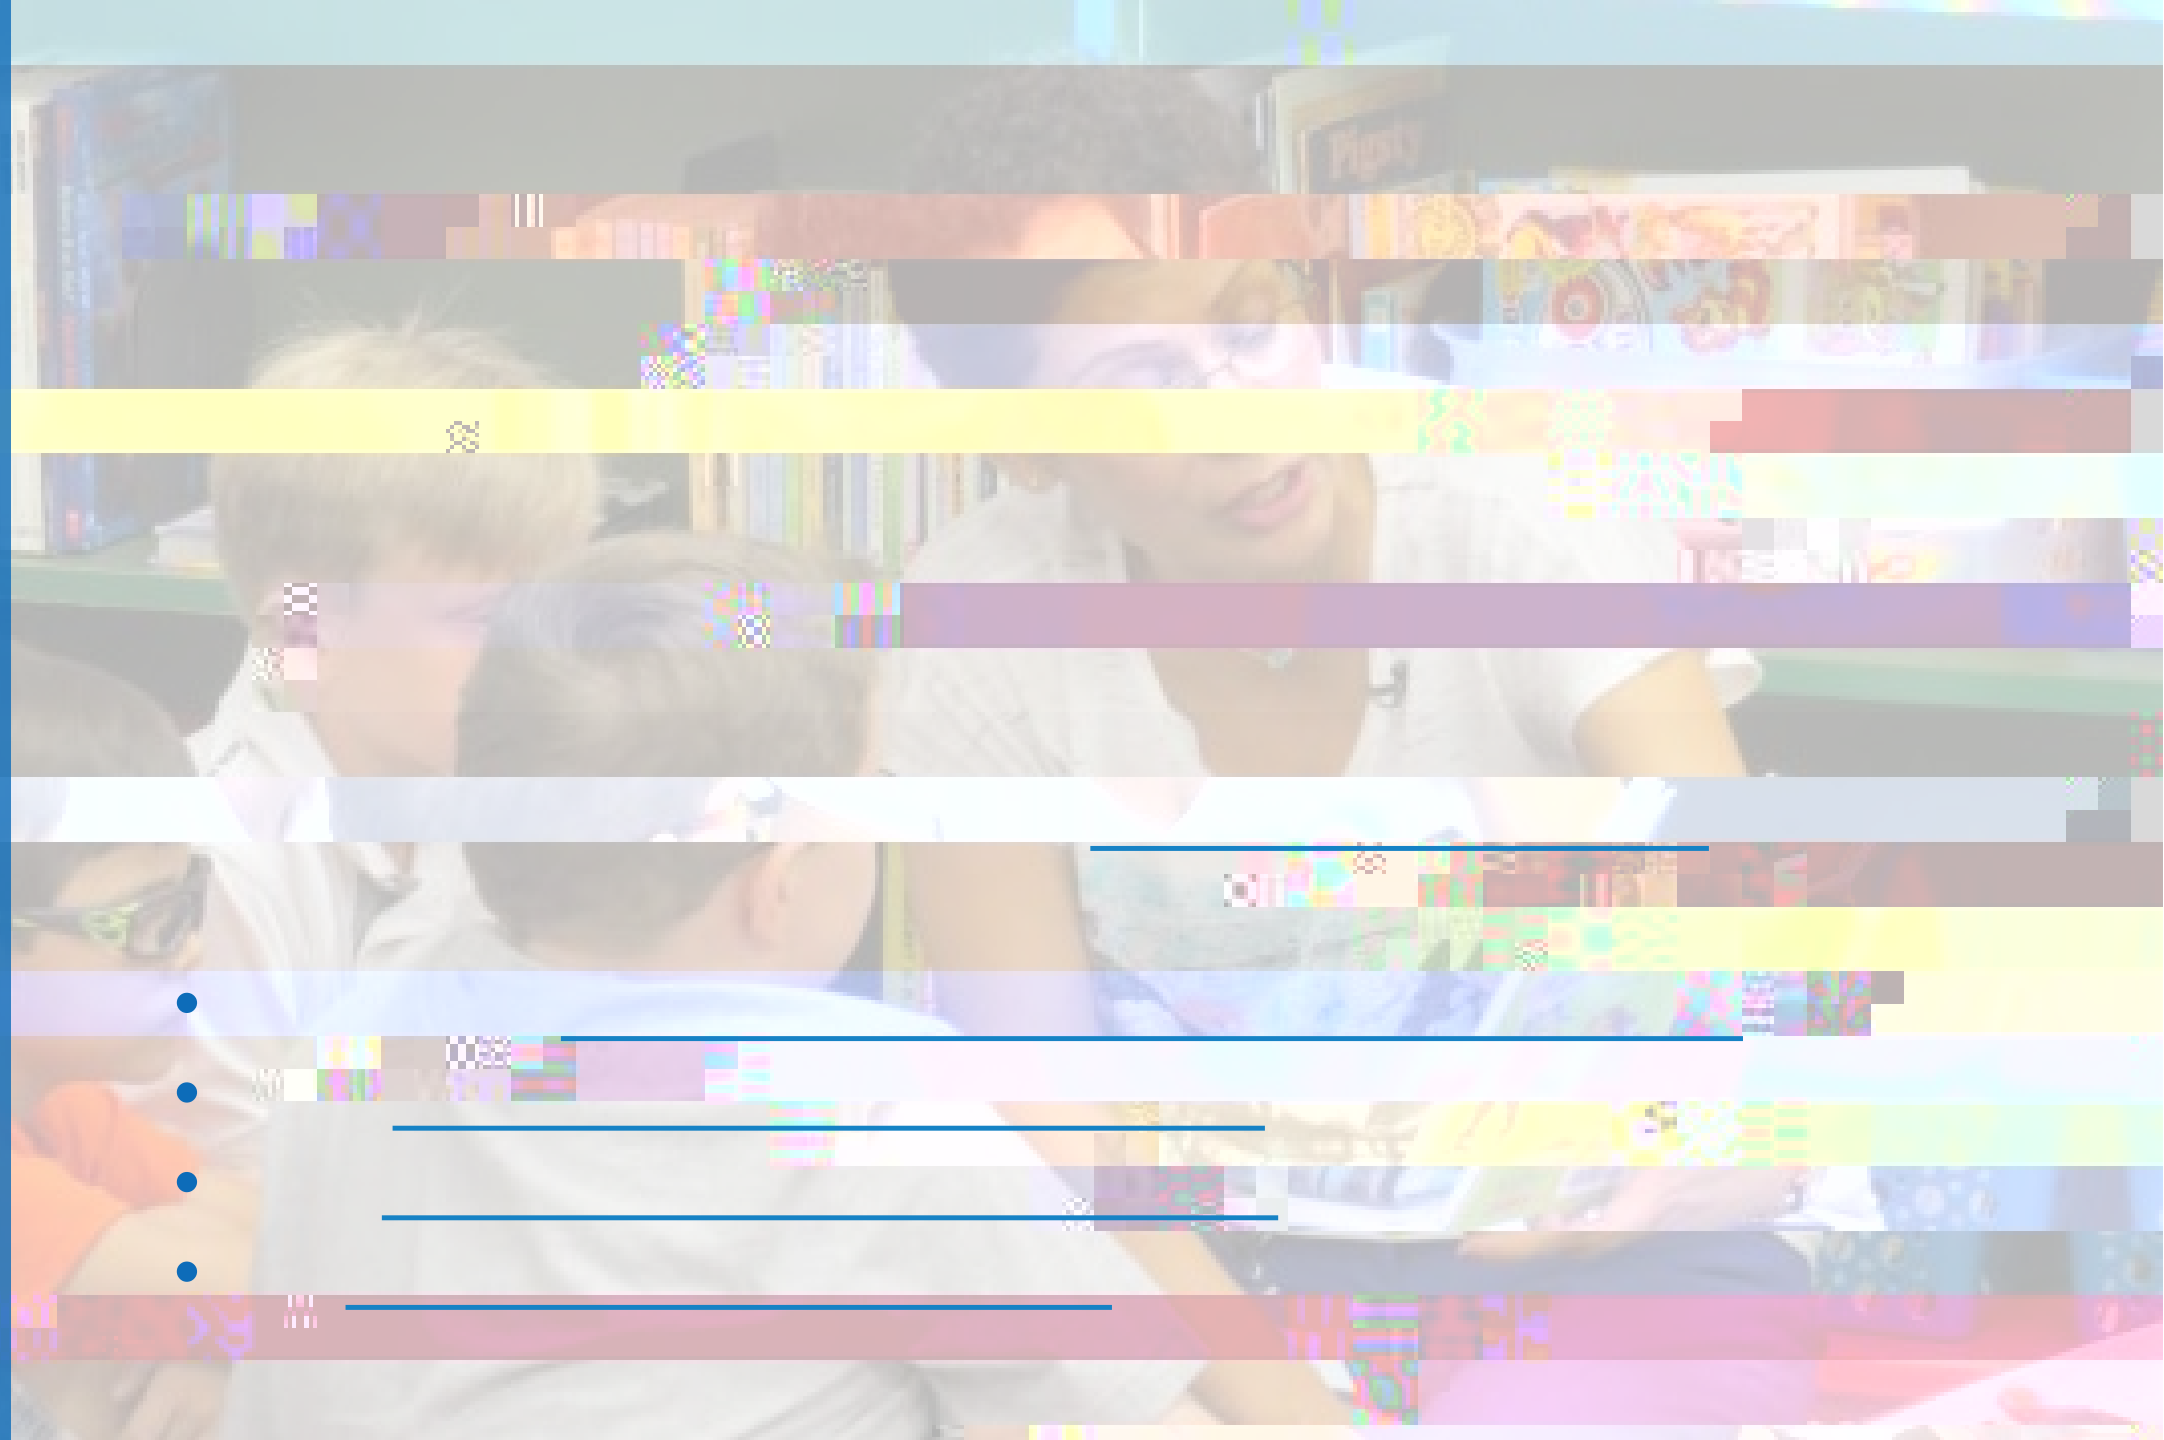




- Amplify, BookNook and Zearn all provide optional add-ons at cost to LEA's using the licensing. TCLAS Decision 6 funding recipients are not required to purchase the optional services nor are they required to have these optional services to access the TEA paid for licenses and tutor trainings.

- Amplify and BookNook offer virtual tutors as an additional cost to LEA's. LEA's are required to use these providers for staffing.



- LEAs agree to adhere to statutory requirements for accelerated instruction.
- LEAs will participate in data collection and reporting to TEA on the efficacy and impact of tutoring programs.
- LEAs agree to cover any additional costs associated with the use of the high-quality instructional materials and resources provided through the Vetted Texas Tutor Corps (VTTC).
- LEAs agree to cover any additional costs associated with the use of the VTTC online tutoring platform for in person and remote tutoring sessions
- LEAs agree to cover any additional costs associated with the recruitment and training for tutors trained by TEA approved providers.


- TEA has contracted with the following vendors for HQIM Tutoring supports for the Vetted Texas Tutoring Corps:
