- Object (or the What?) – Define the goal or change of the recommendation
- Potential Impact (Why and Tradeoffs?) – Identify potential, possible outcomes, trade-offs, costs and potential consequences if the strategy is implemented
- Actions
  - Who? – Identify implementers for the strategy of recommendation
  - How? – Begin to describe the method to implement the strategy and to enact the change
- Next Steps: What research or other steps need to be taken to finalize the recommendation?

- Workgroup leads in presenting recommendations and initial recommendations
- Task force members take notes in the meeting
- Task force members ask clarifying and probing questions
- Task force members provide feedback on workgroup initial recommendations using feedback forms

Task Force members **understand the direction of initial recommendations** of different working groups throughout the development process to:

- Identify areas of **overlap** and **mitigate redundancy**

- Contribute ideas** from different working groups to establish stronger recommendations
